

**Application for
TRANSPORTATION Assistance**

The Butterfly Pavilion provides a limited amount of financial assistance to schools who are located both within and outside the SCFD area that have 50% or more participation in the Federal Free and Reduced Lunch Program. (Exceptions can be made for special need groups that do not participate in these federal programs)

- Please note that scholarships are given on a first-come, first-served basis until funds are depleted. Apply as early as possible for all scholarship requests, regardless of visit date.**
- Reservations must be made prior to scholarship application.
- Because funds are limited, schools that exceed 80% participation in the Federal Free and Reduced Lunch Program can apply for *both* admission and transportation scholarship assistance. Please fill out transportation form as well. Schools between 50-79% are eligible to apply for either admission *or* admission assistance.
